Break4Cake is a great, fun way to get together to enjoy a well needed break, enjoy some delicious cake and raise money for a fantastic cause.

Break4Cake can be as simple as popping on the kettle and getting together to enjoy some delicious cake – or you can make it more elaborate and host a pudding party.

-  Set a date in March to host your Break4Cake.
-  Invite friends, family or colleagues using the special invitation templates.
-  Ask guests to donate £1 (guide only) per slice.
-  Sit back to enjoy your Break4Cake.

Your donations could provide essential items for a young person who is making the transition to living independently, either in rented accommodation or a youth hostel.

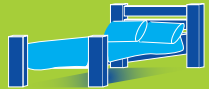

£3 could provide essential items such as washing tablets or cleaning products

£20 could provide kitchen items such as cooking utensils, kettles or saucepans

£50 could provide a much needed quilt, pillow and duvet set

These are not luxury items but they will show a young person, who feels vulnerable, that someone cares about them.

Take a "cake break" in the month of March and raise money for Break
